Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Friday 05 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny during the day, but cold by night.

Today:
A cold start with a patchy frost and sunny spells developing. Remaining dry throughout the day with light winds and plenty of sunny spells into the afternoon. Maximum temperature 9 deg C (48 deg F).

Tonight:
During the evening and overnight it remains dry with lengthy clear spells allowing for a cold night with a widespread overnight frost. Minimum temperature -3 deg C (27 deg F).

Saturday:
A cold start with a frost. Remaining dry throughout the day with plenty of sunshine. A cold and clear night to follow with an overnight frost. Maximum temperature 8 deg C (46 deg F).

Outlook for Sunday to Tuesday:
Dry with sunny spells Sunday and an overnight frost. Cloud gradually building Monday but it should remain dry. Patchy rain on Tuesday before winds strengthen and heavy rain arrives later.
